QUICK and EASY COMMUNICATION USING the SEESAW APP

In preparation to receive school information and make contact with your child's teacher, we ask that you download the SEESAW APP available free of charge from the APP Store or GOOGLE PLAY STORE. Information about joining your child's/children's class group has been shared by the class teachers.

At this stage, all school newsletters will be sent to class teachers who will send them out to families via the SEESAW APP.

PARENT–TEACHER INTERVIEWS

Parent – Teacher interviews have given an excellent opportunity to discuss student progress, celebrate successes and identify areas for improvement. It is very important to talk with your child/ren about any points raised at the interview that need to be followed up. Involving children in developing their own goals, a sense of responsibility and ownership of achievements; and areas for improvement are what we want to see.

END OF TERM 1

Term 1 ends Friday 12th April and students with parent consent will be dismissed one hour earlier at 2:15pm. Term 2 commences on Monday 29th April. A reminder that we ask our school community to report any suspicious behaviour of people on site near buildings to police, particularly after dark. We are happy for the community to use the oval, playgrounds and courts; provided this is done safely and respectfully of our grounds and equipment. Those aged under 18 need to have an adult with them. Enjoy the school holidays with your children.

MID-YEAR (Term 3) INTAKE – PRESCHOOL:

We are currently taking expressions of interest for preschool enrolments for Term 3.

Children who turn 4 years of age before 1 November are eligible to start preschool mid-year the same year (term 3).

Children who turn 4 years of age on or after 1 November are eligible to start preschool in intake 1, at the start of the following year.

Thank you to all those families who have already expressed their interest in accessing our preschool. Once expressions of interest are received and eligibility assessed, offers of placement will be made to eligible families. Please be advised that families of pre-school aged children from Wasleys and Roseworthy are zoned to Elsie Ey Children’s Centre, based at Hewett Primary School.

It is important that parents meet their legislative and regulatory obligations when enrolling children in pre-school, with immunisation history provided from MyGov or the Australian Immunisation Register. Children cannot attend preschool before this information is provided.

If you would like to find out more, please contact Luke Shepley or Deb Meaney via the front office.

CAR PARKING IN THE CHURCH HALL CAR PARK

As you may be aware, the Freeling Medical Clinic has begun operating out of the Lutheran Church Hall. This is an interim arrangement while the medical premises are being built in Freeling. We are indeed fortunate that this service is now available to the families of Freeling.

We ask that you observe the signage indicating PARKING – MEDICAL ONLY.

Sadly, the organiser of the clinic was spoken to quite inappropriately this week when she pointed out to one of our families that there was now a designated area reserved for medical clients only – directly adjacent to the building and clearly marked as such.

We appreciate that the church carparks are made available to us, as many schools do not have the luxury of off-street parking.

Please respect the request to keep the medical parking area free and access the available non-signed areas only.

It's amazing to see so many families that have already paid this year's Material and Service charge of \$287 less the \$100 Government Rebate for 2024, we thank you for this. The M&S Charge was due to be paid on 8th March so if you have not yet paid please arrange to do so as soon as possible.

Payment arrangements can still be made so please contact the Finance Office on 85 252 045 or email dl.0139.finance@schools.sa.edu.au

When making payments to Freeling PS bank account for M&S fees or other invoiced amounts please remember to use the reference stated on the invoice or student surname and fees, etc.

EFT Details: BSB No.: 105 109 Acc No.: 396 038 240 Name: Freeling Primary School

SCHOOL CARD ASSISTANCE - School Card covers \$287 which is the total of the Materials & Services Charge. Families must apply for School Card annually. School Card can be applied for online www.sa.gov.au/education/schoolcard. Please apply for School Card as early as possible.

If you are unsure of your eligibility and require further assistance contact the Finance Office. If you are found to be ineligible for School Card then you are liable to pay the full amount of Materials & Services Charge.

The President of the Freeling Returned and Service League Sub-Branch would like to invite The Freeling Primary School community (students, teachers and families) to participate in the ANZAC Day Ceremony to be held on 25th April at Freeling.

The ceremony will commence at 6:30am with a formal march from the Freeling Post Office (Hanson Street) to the Freeling Cenotaph (corner of Hanson and Gray Streets) where a Dawn Service will be conducted including laying of the wreaths. Student Voice students will be laying a wreath on behalf of FPS.

A gunfire breakfast will be held at 7:15am at the Freeling Oval (Cherry Street).

HOPE TO SEE YOU THERE!

Students from the Reception classes celebrated the end of the term by designing fruit and vegetable faces in their books. They then had the opportunity to recreate this face using different types of fruit. The students loved creating their faces and eating them too! They have had a busy term of junk modelling and boat making using various materials and tools in the Stem room. Well done, Receptions!

District Athletics

On Thursday 4th April, 11 students competed at the District Athletics Carnival. Miller, Jacob, Hamish, Mia, Madison W, Quade, Charlotte, Annie, Eamon, Nash & Madison G competed in events ranging from 800m, 200m, 100m, high jump, long jump, discus and shotput.

FPS is proud of the way you all conducted yourselves throughout the day.

Congratulations to Eamon who came 2nd in the 800m and 3rd in the discus, Mia 4th in the discus and Charlotte 4th in the 200m. Thank you to the parents who transported their children and offered their services throughout the day.

CENTRAL DISTRICTS FOOTBALL CLINIC

On Tuesday 9th April CDFC conducted a football clinic for students from Reception to Year 6. The students were engaged and had impeccable manners throughout the day.

Evie (Reception): "It was tricky trying to kick the ball."

Hamish (Rec): "I kicked a goal and liked handballing."

Hailey (Rec): "I liked throwing the football up and clapping before catching it, I clapped 3 times."

Miranda (Yr 1): "I liked the tricky challenges, throwing the ball up and clapping before catching it."

Liam (Yr 2): "I liked trying to hit the football off the cone."

Violet (Yr 2): "I liked trying to hit Finn with the football."

Hank (Yr 3): "I liked trying to knock the ball off the cone."

Addilyn (Yr 3): "I liked the ball drill of passing the ball back and forwards between my hands."

Nash (Yr 4): "I liked the drill when I had to control the ball through my legs."

Harper (Yr 5): "I liked kicking my football to knock the football off the cone."

Archie (Yr 6): "I enjoyed the different kicking and handballing drills."

Lachlan (Yr 6): "I liked the kicking drill – aiming for the football on the cone (I knocked it off)."

Mia (Yr 6): "I liked that everyone had a go and no-one was left out."

Congratulations Quinn and Noah, from room 4, who have also finished their Premier's Reading Challenge.

Both students picked a graphic novel as their favourite book from their list.

Quinn really enjoyed *The Adventures of Super Diaper Baby* by Dav Pilkey. She liked the flip pages which appeared to make the characters move. It was a funny story. There was a normal baby until he drank the power juice belonging to Captain Underpants and became a superhero. Anyone who loves funny, silly stories would love this book.

Noah enjoyed *Owly the Way Home* by Andy Runton. It's a great story about kindness and caring for others. Owly has an adventure with a worm, even though the worm's dad is scared of owls. Noah recommends this book for anyone who wants to learn about being a good friend.

COMMUNITY EDUCATION WORKSHOP

WITH MARK LE MESSURIER

Creating Community Locally

EDUCATOR WORKSHOPS FOR TEACHERS, COMMUNITY VOLUNTEERS, SUPPORT WORKERS AND PARENTS/CARERS

**A DEEP DIVE to develop children and teen's
social and emotional capacities.**

WEDNESDAY 1ST MAY 2024 6 PM-9 PM

Take a DEEP DIVE into our children's social, emotional and behavioural needs. This 2-hour workshop reveals the hidden emotional baggage our most vulnerable students bring to school each day. It is a reminder that when lives are difficult, you will experience the shockwaves because co-educators work so closely with students and families. This is the reason why your work is increasingly complex, is never done, and will always be in progress.

I would also like to highlight the complexities neurodiversity brings into schools and classrooms, with a strong emphasis on Autism. Why? Because we are at a crossroads in the community and in schools. While most educators are good people, want to be inclusive, and want to offer children hope and futures, this vulnerable group and their educators, often struggle to bring this to fruition. How we think, talk and work with neurodiversity is a rapidly evolving, and sometimes an emotionally charged space. We are beginning to grasp that such differences in the emotion and behaviour of individuals with ADHD, Autism, Learning Disabilities and trauma, and more, are the result of physical differences in brain structures. This means a neurodivergent brain is built and wired-up differently. So, it processes and interacts with the world differently. It will always do so, because its operating system is a beautiful variation to an amazing human rhythm. No one ever grows out of being neurodivergent, so let's help them grow into it feeling proud and worthy.

Finally, let's reaffirm the connection between – emotion, relationship and behaviour. What we are seeing is that most student will not tolerate a 'behaviour management' approach that relies on rules without relationship, warmth, and connection. Especially when they already feel 'not good enough'. I'd like to explore a technique that safeguards a young person's emerging spirit by separating the behaviour from who they are, and who they can be in the future. I promise to leave you with some key "take-aways" as I introduce my 'GOOD GUIDE to work effectively with young people who exhibit tricky emotions and turbulent behaviours' – a much healthier approach than, "behaviour management".
