Welcome to the final Newsletter for Term 3 – 2019

It seems that each week goes by faster than the previous one and there is certainly a lot that happens from one week to the next that needs to be planned and managed. Over the last few weeks leadership staff have been conducting formalised classroom observations and performance development discussions with each of the staff. This element of our work includes a visit during lesson time for us to engage with the students, their teachers and the teaching and learning program. It is great to get a chance to spend uninterrupted time in with classes.

OPEN NIGHT

It was wonderful to see so many families sharing in their children's knowledge and achievements at Open Night. The classrooms, STEM space and PE area were all busy with people engaging in a variety of activities. We saw families: analysing student progress; making music with bananas: forming a ukulele band; exploring the brain, growth mindset and wellbeing; taking the chopstick challenge...all educational and so much fun! School has certainly changed over the years.

VACATION CARE and PUPIL FREE DAY SURVEY RESULTS

Thank you to the many respondents who completed the online survey regarding usage of vacation care and pupil free day services at Freeling. The results look very promising and we are now in discussions with Happy Haven about the process and possible timelines for the implementation of a trial period. Stay-tuned!

READING HOUR (Today and everyday!)

There seems to be special days to highlight so many different events and today (Thursday 19th September) is no exception. The [Australian Reading Hour](#) (ARH) is an important annual campaign encouraging Australians of all ages to pick up a book at any time of the day or night and read for an hour. We cannot stress enough the importance of modelling reading for all of its purposes to your children and to encourage them to do the same. Whilst finding an hour a day in our busy schedules can be unfathomable, there is lots of research to show the positive impact of reading for even 10 minutes each day across all aspects of children's learning.

SENIOR CHOIR

Friday the 20th September is the culmination of the hard work and energy our students have put into learning the South Australian Primary Schools Music Festival repertoire for 2019. Seventeen of our choir students will join approximately 400 other students from schools across the state to perform on the stage at Festival Theatre. It's an opportunity not all students get and it is one they will remember forever. We wish the students the very best for Friday night and thank our families for the commitment they have made in supporting this aspect of their learning.

SPORTS DAY – THURSDAY 26th SEPTEMBER

We are sending positive vibes that the weather on Thursday the 26th will be ideal for our annual sports day.

Please Be 'Sun Smart'! We would like to see all staff, students and parents wearing sun protection clothing in house colours, hats and sun block. All students need to wear sneakers and bring their own water bottle – labelled with their name.

ALL STUDENTS are to go to their classes as usual at the commencement of the school day. They must also return to their classroom at the end of recess and lunch so that they can be checked off against the roll.

During the morning events, children must remain with their class and teacher. After lunch, all students will be sitting in mixed class groups in their house teams. Each house team will have a designated teacher identifiable by their Hi-Vis vest. Any students that need to go to the toilet, **MUST BE SIGNED IN AND OUT BY THIS TEACHER.** If for any reason, you need to leave early with your child, you must also report to this teacher for signing out. Please understand, this process is important to ensure student safety....not to be difficult.

TOILETS - please remember to use the designated toilets – signage will be apparent. Adults with toddlers, please use the toilets for the disabled. (Centre toilet in the transportable toilet block).

THE MAIN BUILDING WILL BE LOCKED DURING SPORTS DAY FOR SAFETY REASONS.

IF YOU NEED TO CONTACT THE SCHOOL IN CASE OF AN EMERGENCY PLEASE PHONE THE SCHOOL MOBILE NUMBER: 0439 973 806.
